**About us...**

In an effort to promote and protect their businesses, a group of Pennsylvania lawn care firms formed the Lawn Care Association of PA in 1989. LCAP has grown to become an organization comprised of concerned individuals, such as owner-operators, applicators, suppliers, and distributors, who take an active interest in the health, growth and direction of the lawn care industry in Pennsylvania.

**Become an LCAP member today!  
Simply fill out the information on the registration form inside,  
and send in your check for \$100.**
