

## Exciting Industry Event!

Golfers from all across the industry gather each year for this great event! Take a break from your busy schedule to join us for a congenial game on the Turtle Creek Golf Course, an **18-hole top quality designer course** offering premier challenge and enjoyment for golfers at all levels of play.

## Rated Four Stars by *Golf Digest*

**Turtle Creek Golf Course** has a links-style layout that can be played from four different sets of tee markers, resulting in course lengths from 5100 to 6700 yards. A par-72 course, Turtle Creek's front nine holes are open and rolling. On the back nine, holes 10, 11 and 12 come in and out of the woods and then open back up. Each golf hole has its own individual character and playing options. No two holes are alike, and simply by shifting tee markers and pin placements, no hole will play the same way every time. For **course diversity and professional challenge**, all in a beautiful setting, nothing beats Turtle Creek Golf Course.
